# CLEAR PLASTIC

## NEW QUALITIES AND WIDTHS ADDED!

Clear plastic is a versatile and popular material with a wide range of applications. It is durable, lightweight, and transparent, allowing light to pass through easily. Clear plastics are commonly used for packaging, containers, windows, displays, and a variety of other products where visibility and clarity are important.

These plastics can be molded, extruded, or fabricated into various shapes and sizes to suit different needs. Clear plastic is valued for its clarity, impact resistance, and ease of processing, making it an attractive choice for many manufacturing and consumer applications.

## HESSIAN

+145cm | 100% Jute  
50m rolls | +267gsm  
Hand wash with cold water

Hessian, also known as "Burlap", is a strong, coarse woven textile that is 100% natural, biodegradable, and eco-friendly. This durable and versatile material is characterised by its rough texture and natural, earthy appearance.

Hessian is a multi-purpose fabric used in numerous industries. Its natural properties make it popular in sustainable and rustic-themed designs. Hessian is also valued for its ability to be dyed or printed on, allowing for customisation in various products.

It is a multi-purpose fabric used to make bags, rugs, craft and decor products, table runners, bunting, blinds and rugs.
